Recap: Road Trip to Algonquin Park

MEGA organized a road trip on the Labor day week-end (September 1-3) to Algonquin Park. It was a fun filled family event with a healthy mix of veteran and newer members participating. While the participation in various activities depended on the age group and interest, all the members who came on the trip were enthusiastic about the repertoire of activities and expressed keen interest in future road trips like this.

Here are some of the responses:

"It was our first road trip in Canada and thanks to all for making this a memorable one. Had a great experience beyond our expectation. Looking forward for the next one."

"It's not where you travel but who you travel with - Thank you MEGA for amazing experience that will last a life time. Looking forward for more such events."

"There are many things that made this trip wonderful and memorable. However as new MEGA members, what made it extraordinary was the warm family atmosphere that we felt within the group."

"Thank you Mega team for organizing yet another awesome event. . the shared accommodation helped to build the camaraderie -it felt like one big family..three cheers to the organizing team"

The photos from the event are posted on the [MEGA Facebook page](#) and will soon be uploaded to [MEGA website](#).
